April 30, 2016

Dear Friends of Waldheim Park,

Our 2016 summer ministry begins with our annual kickoff banquet on June 3, hosted by Sacred Heart Senior Living of Northampton. The positive feedback we received last year about Sacred Heart's facility, food, friendly staff and tableside service, motivated the ministries committee to hold our annual event at the same location. Gayle Yastrop will once again go out of her way to ensure all our guests are well cared for and well fed!

Since you attended the banquet last year, please consider this letter our personal invitation to join us for an evening of fellowship and encouragement. Our crumbling society needs many outposts of courageous Christians who live under God's authority and loving proclaim his truth.

Enclosed please find a banquet invitation. Please return it with your payment by May 31 so Gayle has an accurate count. We hope to see you again.

May God richly bless you for your devotion to Him, His Word and the ministry of Waldheim Park!

Sincerely,

Rev. Richard T. Nahodil
